Preparing Messenger Envelopes
Use U.S. Government Messenger Envelopes (SF 65-B) to transmit mail within USDA agencies. Mail to NFC, New Orleans, LA can also be sent in messenger envelopes.

- When using U.S. Government Messenger envelopes:
- (1) Completely strike out the previous address. In the next spaces, clearly write the complete address (Name & AgBox Code or Name, Agency, Room Number and Building) of the intended addressee;

(2) Limit the address to one space;

(3) Do not overstuff the messenger envelope; and,

(4) Make sure the messenger envelope is securely tied.

National Finance Center Priority Mail Pouch
The Central Mail Unit (CMU) provides daily priority mail service to NFC. This service is available to all USDA employees in the Washington area at no extra cost!

Here is all you need to do to use this service:

- Use NFC preprinted green bordered envelopes when available; however, any envelope is acceptable, but must be addressed to the appropriate NFC office and clearly marked “NFC POUCH” in the upper right hand corner of the envelope. Also, include in the return address the agency and 4-digit code.
- Deposit in your office outgoing mail for pickup, take directly to the Accountable Mail Unit, Room 0419 South Building or deposit in drop boxes. One drop box is located in the Whitten Building adjacent to the guard desk at the Independence Avenue entrance. The other is located in the South Building near the main guard desk, Wing 4, Independence Avenue entrance.

Change of Address
Departmental agency users are responsible for promptly notifying their correspondents when there are changes in address, agency organizations or officials. This will assist in preventing unnecessary delays

in the delivery of mail. Incoming mail bearing an incomplete or inaccurate address will be delayed and may also be returned to the sender. Change of address forms may be obtained from your mailroom.

Do not use Government envelopes or services for personal mail.

For further information and assistance for mailing practices, please contact your agency mail manager.

The Department of Agriculture is the largest mail user within the Federal Government. Last year's postage cost for USDA were \$44 million.

It is important that USDA employees follow proven mailing practices to ensure all mail sent to and from the Department reach its destination without delay. Among these important practices are:

- Reduce use of flats (envelopes larger than 6 1/8" x 9 1/2"). Save postage by folding up to 5 sheets of paper in letter size envelopes.
- Reduce costs by printing on both sides of paper.
- Save by consolidating items for one address into a single envelope.
- Endorse all flats and packages with class of mail.
- Update mailing lists continuously!
- Use postcards whenever possible.
- Single space the address, using capital letters without punctuation.
- Use ZIP +4, when known. (Always use 5 digit ZIP Code.)
- Outbound mail address will be machine printed or typed.
- For international mail, place the country name on the last line of the address in all CAPS.
- Include a complete return address on all outgoing correspondence.
- Notify your correspondents and the Central Mail Unit of changes in USDA addresses and personnel.

Have a mailing question? Call the Central Mail Unit on 720-7088. Ask the Office of Operations, Mail and Reproduction Management Division (telephone 720-8393) to help in training or workshops.

Preparing Outside Correspondence

Use the right size envelopes and endorse all large, bulky pieces with the class of mail service desired. Generally five pieces of paper will fit into a letter-size envelope (4 1/4" X 9 1/2").

To expedite delivery make sure that your outgoing mail contains the following:

- (1) The complete return address of the originator (Name & AgBox Code or Name, Agency, room Number and Building). This information will eliminate time-consuming processing of returned USDA-originated mail.
- (2) After the ZIP code, include agency's unique 4-digit code.
- (3) The full address of the addressee, including the ZIP Code. (No more than 5 lines - brief but concise, assures expedited delivery.) Use capital letters, machine printed or typed without punctuation.

For example:

- Name of Individual or Organization
- Organization Element (if necessary)
- Street Address or P.O. Box Number
- City, State and ZIP Code
